

# Calling all Supa Buddies!

Let's create a comic!

See the tips and tricks below, and start writing!

## TIP #1

**Pick the characters you want to use. Use characters from Dog Man, or create your own. Make sure you have a hero or heroes, and a villain!**

## TIP #2

**Define your problem. Was something stolen? Was something evil unleashed onto the world? Did Petey escape from jail again?**

## TIP #3

**How is your problem solved? And what steps were taken to get there? Write an exciting scene leading up to the solution. What happens to the characters after your problem is solved?**

## TIP #4

**Map out your story on blank paper before drawing. Sketch your characters a few times, then put your story into the panels! For tips on how to draw Dog Man characters, and other fun activities, visit <https://kids.scholastic.com/kids/books/dav-pilkey-at-home/>**

**Feeling a little stuck? It's ok! Use one of the story starters in the packet! Have fun with it, and don't worry about perfection.**
