

Your Friends Membership

Friends' activities and donations help support the Library and its programs and services. We raise money and promote the Library with special events such as our annual Quiltathon and Bunco Parties. Additional funds are raised through raffles and 50/50 drawings.

The Friends run weekly Book Sale days and maintain the Library's beautiful courtyard and flowerbeds. We also assist as needed with other special events. Some of us volunteer regularly as aides during Library hours.

In the last few years the Friends made substantial contributions to the Library's air conditioning, heating and computer upgrade projects. In addition, we have sponsored children's and teen programs.
