

WHO GOT TO THE LIBRARY FIRST?

Read the following statements and cross out the people in the picture who match the statement. For example, if the statement says "The person is wearing blue", you will cross out anyone who is not wearing blue. You should be left with one person at the end - this person got to the library first!

1. The person who got to the library first is holding a book.
2. The person who got to the library first is sitting down.
3. The person who got to the library first is NOT wearing glasses.
4. The person who got to the library first is wearing yellow.
5. The person who got to the library first has dark hair.
6. The person who got to the library first is wearing blue.
