PROGRAM SCHEDULE

Programs meet every Wednesday at 5PM
June 17 - July 22.

Week 1 - Paleontology Pursuits

Make soap & bathbombs with a dino surprise inside.

Week 2 - Raw Resources

Wrap various crystals and make a beautiful piece of jewelry.

Week 3 - Human History

Explore the Heritage Room & the library's digital resources to create your family tree.

Week 4 - Scavenging Secrets

Meet at Grove Hill Cemetery for a scavenger hunt & learn some OC history.

Week 5 - Excavation Exploration

Make fossil prints in clay & on terracotta pots with natural resources.

Week 6 - Community Collaboration

Collaborate with other participants on an art piece.
