Annual Quiltathon

September 11-12 during Library hours.

This annual Fundraiser helps the Library with some special needs and regular programming.

The quilt tops are supplied by local artisans. Sue Luxbacher, a member of the Flying needles, and Sue Betz and Krista Cloonan made the quilt tops. Participants will do the quilting and the artisans will finish the borders.

This is an interactive event that anyone may participate at any skill level. By coming in or calling the Library, you can receive a sponsor sheet and an informational letter.

Anyone may sponsor a quilter for \$5 which will give you a chance to win one of the completed projects. Increase your chances by donating \$20 for 5 chances. The drawing for winners of the quilts is October 5th.

There will also be a mini consignment shop of small sewn objects with 10% of the money benefitting the Library. People interested in participating this way could bring in their labeled and priced items to the Library on September 8th or 9th.

We always have a great time and enjoy meeting new friends.
